

## ICE / ICES Mutual Exemption Agreement

ICE welcomes applications for membership from Members and Fellows of the Institution Civil Engineering Surveyors (ICES). Applicants must have been an ICES member (MInstCES) for 2 years and have worked in the built environment for more than 12 years.

ICES Fellows may also be eligible to apply for Fellowship of the ICE. Full details are available on the Institution of Civil Engineers website at [www.ice.org.uk](http://www.ice.org.uk)

### Membership principles

ICE members interested in applying, please submit the following documents:

Membership application form	Original + 2 copies
A detailed CV - see the ICE Membership Guidance Note 15	Original + 2 copies
A certified* copy of your academic qualifications	3 copies
A certified* copy of your ICES membership certificate	3 copies
A record of your continuing professional development (CPD) showing at least 5 days of CPD per year over the last 5 years	Original + 2 copies
Sponsor 's questionnaire*	Original + 2 copies
An application fee (cheque or credit card payment made payable to Institution of Civil Engineers)	Original

\*Certified copies must be 'true copies of the original' which are signed and dated by a senior member of your employing company, a corporate member of ICE or one of your sponsors.

### Sponsor Requirements

All applications for membership must be supported by at least 3 sponsors (2xICE and 1xICES) who must be current Members or Fellows of at least 3 years standing. The sponsor must also be of the same grade or above that for which the applicant is applying.

### Timescale

Applications are considered by the Exemption and Recognition Panel. The panel normally meets four times a year. You will be advised of the outcome within four weeks of the panel meeting. Members and Fellows interested in the scheme should consult the ICE website [www.ice.org.uk](http://www.ice.org.uk) and apply directly to ICE.
